Ana Paula is a Senior Associate in the antitrust team. Her experience as an antitrust lawyer has allowed her to successfully advise companies in investigations, merger notifications, market studies and leniency applications in various markets including e-commerce, retail, streaming and operating systems.

She also has significant experience in antitrust consulting, having executed complex analysis to carry out strategic projects nationally and internationally. **Her experience includes the representation of companies in barriers to entry and essential inputs proceedings.** Ana Paula is guided by the ultimate principle of generating value for her clients.

Before joining SAI, **Ana Paula served as antitrust counsel for a leading Latin American e-commerce company**, participating in ambitious and unprecedented projects in digital markets, as well as the development and implementation of compliance policies.

Ana Paula received her B.A. in law magna cum laude from Universidad Panamericana and is the co-author of the Mexico Overview in the 2019 Private Litigation Guide, by Global Competition Review as well as of over 15 articles on antitrust review in Thompson Reuters.
